

## We are looking for Sponsors!!

SYLC staff is a non-profit charitable origination and receives tremendous assistance from many law enforcement and public safety agencies and financial donations from local businesses. Although, historically these donations have assisted with the vast majority of funds needed to host summer camp for approximately 200 students countywide, with the indefinite closure of WES, SYLC is hosting a fund drive to help offset anticipated financial increases.

Not only will financial contributions help continue the success of summer camp for our youth, but you, our generous community members and business leaders will be publically honored for your support. SYLC will memorialize how you and/or your company supported SYLC and share you and/or your company's commitment to the youth in our community.

On behalf of SYLC Staff and the 2020 appointed Counselors, we would like to thank you in advance for your generous contribution to this year's summer camp.

Checks payable to SYLC. Tax ID #: 68-0381728
